

GREEN CENTURY FUNDS

Equity Fund

GCEQX/GCEUX

December 31, 2020

As the first family of responsible and diversified fossil fuel free mutual funds in the U.S., Green Century[®] has been a leader in environmentally and socially responsible investing for thirty years.

Green Century offers investors the opportunity to make an unrivaled environmental impact with their investments. Our unique three-pronged approach features investments in environmentally responsible companies, a preeminent shareholder advocacy program that pushes for more sustainable

corporate practices, and one-of-a-kind support for environmental and public health organizations.

As the only mutual fund company in the U.S. founded and owned by nonprofit organizations, 100% of the profits Green Century Capital Management earns managing its Funds can be used to support the critical work of these organizations.

Investment Objective:

The Green Century Equity Fund seeks to achieve long-term total return which matches the performance of an index comprised of the stocks of companies selected based on Environmental, Social, and Governance (ESG) criteria.

Sustainable Investment Strategy:

The Fund is a diversified, passively-managed fund invested in the stocks of the companies that comprise the longest-running sustainability index. The Fund invests nearly all of its assets in the approximately 360 common stocks comprising the MSCI KLD 400 Social ex Fossil Fuels Index, a custom index calculated by MSCI, Inc., minus the stocks of fossil fuel companies.

The Fund invests in:

Companies with outstanding ESG ratings.

U.S.-based companies that are sustainability leaders, including those seeking to use more renewable energy, reduce greenhouse gases, and improve water efficiency.

The Fund excludes corporations that:

Explore for, extract, process, refine, and transmit coal, oil, and gas; burn fossil fuels to make electricity; or possess carbon reserves.

Produce nuclear energy, nuclear weapons, civilian firearms, military weapons, tobacco, GMOs (Genetically Modified Organisms), or alcohol; or are gambling enterprises.
