

BALANCED FUND - GCBLX

September 30, 2017

Overview

Objective: The Green Century Balanced Fund seeks capital growth and income from a diversified portfolio of stocks and bonds, which meet Green Century Capital Management's ("Green Century") standards for corporate environmental responsibility and sustainability.

Environmental, Social and Governance Factors: The Balanced Fund keeps your dollars out of fossil fuel companies and other polluters, such as factory farms. Instead, it invests in sustainable companies and environmental innovators, selecting companies with high environmental standards. It includes investments in the Renewable and Energy Efficiency sector.

Investment Strategy: The Balanced Fund is an actively managed fund comprised of stocks and bonds. The Fund seeks to invest in well-managed companies that strive to maximize their environmental advantages and minimize their environmental risks. Green Century believes that environmentally responsible companies could enjoy competitive advantages including cost and liability reductions, quality improvements, profitability enhancements, and access to new and expanding growth markets.

The performance data quoted is past performance and past performance is no guarantee of future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance quoted. To obtain performance current to the most recent month-end, please call 1-800-934-7336. Performance includes the reinvestment of income dividends and capital gains distributions. Performance shown does not reflect the deduction of taxes that a shareholder might pay on Fund distributions or the redemption of Fund shares. A redemption fee of 2.00% may be imposed on redemptions or exchanges of shares you have owned for 60 days or less. Please see the prospectus for more information.

**The Custom Balanced Index is comprised of a 60% weighting in the S&P 1500 Index and a 40% weighting in the BofA Merrill Lynch 1-10 Year U.S. Corporate and Governance Index. It is not possible to invest directly in the Custom Balanced Index.*
